

# Program Name: Tip Timer

## Location: 2017 Side Project

### Features:

- Native Android Mobile Application
- [https://play.google.com/store/apps/details?id=com.apps.almcken.tiptok&hl=en\\_US](https://play.google.com/store/apps/details?id=com.apps.almcken.tiptok&hl=en_US)
- Tip Timer is an application that will help you tip an appropriate amount and save you money at your favorite restaurant. Restaurants today are asking for 20%, 25% and even 30% tips when the service isn't always great. Take control of your tipping and tip to right amount for the service you receive. The application will always start the tip amount at 20%. The value will decrease as the longer you have to wait.
